

Episode 1004: Season of Charity Reflection

Were you Listening???

#1 Charity should form part of what?

- A) Nothing at all
- B) Your financial planning
- C) Your new year's resolutions
- D) Polite conversation but nothing more

ANSWER: (B)! It doesn't have to be a lot, but building just a little regular contribution could make you feel great AND save you tax dollars. Even a dollar a month. Most people can do that, right!! And we're talking year-round, not just Christmas and not just as a new year's resolution, because we all know what happens to those!

#2 How is gratitude the same as generosity?

- A) They both start with the letter G
- B) They can both make you happy
- C) They are both things to be proud of
- D) All of the above

ANSWER: (D) Just like we learned in the last episode, that generosity can make you happier, the same is true of gratitude! It's a really great habit to get into, every day, to think of just a couple of little things you were grateful for. Today, it can be that you got all these questions right because you were listening so well, right?

#3 What's the first thing we're grateful for at Money with Mak & G?

- A) Our listeners
- B) Doritos
- C) Chocolate
- D) Pizza

ANSWER: (A)! The other things are great, don't get us wrong. But the thing we're MOST grateful for, by FAR, are you guys, our listeners!

#4 What are we at Money with Mak & G going to be doing a lot MORE of in 2021?

- A) Arguing
- B) Spending money on stuff we don't need
- C) Driving a zamboni at the local rink
- D) Video content

ANSWER: (D)! That's right! Mak & G are going to be appearing ON SCREEN (well, on YouTube) a whole lot more next year. We want to freshen up the show and so every episode we make will be available both as video and podcast starting in 2021. We're excited!
