

## Episode 914: Kylie Jenner reflection

### Were you Listening???

#1 It's estimated that how many new billionaires are made every year?

- A) 150-200
- B) 1
- C) 1000
- D) 10

**ANSWER:** (A) Around 150-200 people reach billionaire status every year. Most of these just make it in, so their individual worth is usually just over \$1 billion. And they come from all over the world. China and India are making a lot of billionaires due to the incredible economic growth in those countries. So it's not just American tech companies!

#2 What is the name of the company that bought a stake in Kylie's cosmetics business?

- A) Forbes
- B) Amazon
- C) Coty
- D) American Dream

**ANSWER:** (C) Coty is a big company in the cosmetics industry, worth over \$2 billion. In 2018, it bought a 51% stake in Kylie's business for a reported \$600million. A deal like that is a clear sign that your company has a lot of value and is hugely successful.

#3 What do the billionaires we learned about in season 9 have in common?

- A) They all had a big dream
- B) They knew how to collaborate
- C) They all worked super hard
- D) All of the above

**ANSWER:** (D) We learned a lot about Bill Gates, Oprah, Jeff Bezos, and Kylie Jenner. And they're all so different, and made their money in different ways. But they definitely also have some things in common, most importantly, we think, their ability to WORK HARD!

#4 Complete this quote from Calvin Coolidge: Nothing in this world can take the place of ---?

- A) French Fries
- B) Persistence
- C) Laziness
- D) Make-up

**ANSWER:** (B) Calvin Coolidge's famous quote tells us that hard work is the most important virtue and can even make up for skills or other things you may lack. Working hard is the way to get around obstacles and achieve your goals. Nothing is more powerful!

#5 What years was Calvin Coolidge President of the United States?

- A) 1923-1929
- B) 2016-2020
- C) He never was President but he worked hard
- D) 2020-2024

**ANSWER:** (A) Calvin Coolidge was the 30th President of the United States. He is known for having been a really strong supporter of racial equality. For example, by the time he was president, most Native Americans had become American citizens through marriage or military service, but Coolidge gave the rest American citizenship by birth.
